SUB: Feedback on educational trip to Kerala

We sincerely thank you for granting us the permission to go on a Kerala trip covering Vagamon, Alleppey, and Cochin. It was a wonderful experience that combined learning and enjoyment.

Vagamon's hills and greenery gave us a refreshing time close to nature.

The Alleppey houseboat cruise was unique, helping us appreciate Kerala's backwaters and culture.

At Cochin, the marine drive enriched our knowledge and gave us insight into the city's heritage. The arrangements for travel, stay, and guidance were excellent and ensured our safety. This trip created lasting memories, and we look forward to more such opportunities in the future.

We have also enclosed the detailed report of our education trip with this letter.

Yours faithfully,
1st profession students
