

Government Siddha Medical College, **Arumbakkam, Chennai - 106**

VISIT TO GEOLOGICAL SURVEY OF INDIA

Participation

- Organization: Geological Survey of India (GSI)
- Date: 17 August 2026
- Participants: 20 PG Students
- Departments: Marunthiyal, Marunthakkaviyal & Gunapadam
- Faculty: Dr. C. Lakshmanaraj & Dr. C. Meenakshi

Visit Highlights

- Visit to the GSI museum and observation of geological specimens and exhibits
- Laboratory visit and exposure to geological laboratory facilities and analytical practices
- Lecture class on geology, minerals and their relevance to natural resources
- Observation and understanding of geological specimens, minerals and related scientific information

Outcome- Gained practical exposure to geological specimens, minerals, museum resources, laboratory facilities and scientific approaches used by the Geological Survey of India. The visit enhanced the students' understanding of geology and its relevance to the study and identification of natural resources.
