

Government Siddha Medical College, Chennai successfully celebrated the

INTERNATIONAL FOREST DAY

on March 21,2025 by conducting a Tree Plantation Drive on our campus,
organised by Department of PG-Gunapadam.

As part of this initiative, ten tree saplings were planted by our Principal Dr.Kanagavalli MD(S),and

Our Vice Principal, also the HOD of Department of PG-Gunapadam, Dr.Saravana Devi MD(S), emphasizing the importance of afforestation and environmental conservation.

This event aimed to raise awareness about the crucial role of forests in maintaining ecological balance, combating climate change, and preserving biodiversity.

The enthusiastic participation of students and our inspiring Professors made the initiative a great success, and encouraging the students for reinforcing our commitment to a greener and more sustainable future.
