

## GOVT SIDDHA MEDICAL COLLEGE SHINES AT DISTRICT LEVEL RED RUN MARATHON

On 31st August-2024, Govt Siddha Medical College made a notable impact at the District Level RED RUN Marathon, organized by the District AIDS Prevention and Control Unit (DAPCU) and Tamil Nadu AIDS Control Society (TANSACS) at Nehru Stadium, Chennai. The event, part of an intensified campaign to raise awareness about AIDS prevention and control, featured a 5-kilometer run and a human chain.

In line with our Red Ribbon Club (RRC) activities, 47 students from our college participated with enthusiasm. Under the guidance of **Principal Prof. Dr. Kanagavalli, M.D.(S)**, and coordinated by **Prof Dr. Ujjevanam, M.D.(S)**, Head of the Department of Maruthuvam, and RRC Programme Officer **Dr. N. Manju Hemamalini, M.D.(S)**, their dedication was further supported by UG staff coordinators.

Our students' commitment was recognized with appreciation certificates from the Mayor and the Commissioner of The Greater Chennai Corporation.

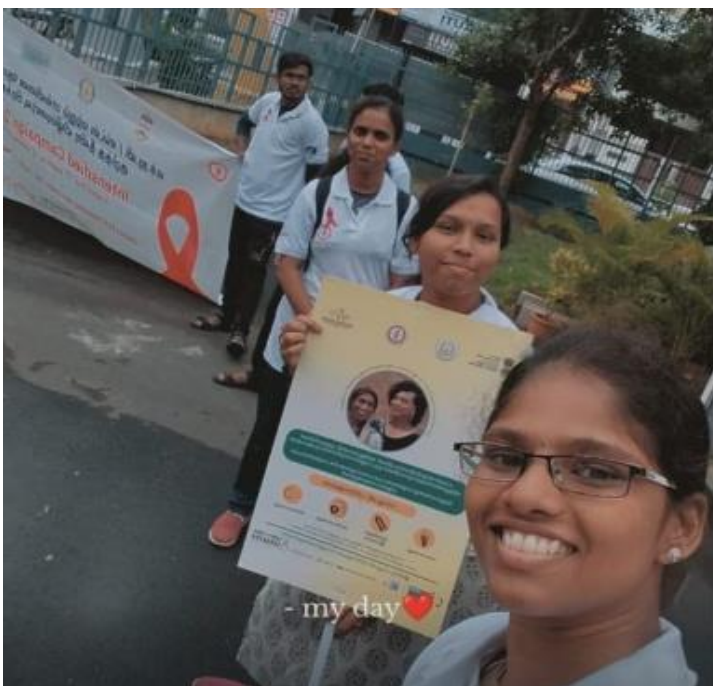

The event not only highlighted the importance of AIDS awareness but also showcased our student's active involvement in social causes, reflecting the values of our institution.
