Government Siddha Medical College, Arumbakkam, Chennai – 106

INDUSTRIAL VISIT TO AAVIN, AMBATTUR

Participation

Organization: Aavin Dairy, Ambattur, Chennai

Date: 23.10.2026

Participants: 1st year PG scholars

Department: Gunapadam Marunthiyal & Marunthakaviyal

Faculty: Dr. C. Lakshmanaraj,M.D(S)., and Dr. C. Meenakshi, M.D(S).,

Programme: Educational / Industrial Visit

Visit Highlights

1. Visited Aavin Dairy, Ambattur, to gain practical exposure to dairy processing and milk-handling operations.
2. Observed the general stages involved in milk reception, quality checking, processing, pasteurization, and packaging, subject to the units demonstrated during the visit.
3. Learned about hygiene, sanitation, quality control, and safe handling practices followed in dairy production.
4. Understood the importance of maintaining product quality and safety during processing, storage, and distribution.

Outcome

The visit provided educational exposure to dairy-processing operations and quality-control practices at Aavin, Ambattur. It helped the participants understand the importance of hygienic processing, quality assurance, packaging, and safe distribution of milk and milk products. The specific activities observed may be updated to match the actual demonstrations conducted during the visit.
